Happy Birthday !

Valentine's Day

Thank you for sending treats and/or helping us out on our Valentine's Party.

Your involvement makes your child's experience at Nanny's a success.

SPRING JACKETS

Spring is right around the corner, hopefully.

So the children will be playing outdoors.

Please send a jacket. Make sure that your child's name is in his or her jacket.

Sometimes children have the same jackets.

St Patrick's Day

On Friday, March 15th please dress children in green to celebrate St. Patrick's Day. If you would like to send green treats for your child's classroom they will be welcome.

5 Wee Leprechauns

Five wee leprechauns scurrying by my door,

One jumped away, then there were 4.

Four wee leprechauns climbing in my tree,
One hid in the green leaves, then there were 3.

Three wee leprechauns, just a busy few,
One went for a pot of gold, then there were 2.

Two wee leprechauns, having lots of fun,
One hopped over the rainbow, then there was 1.

One wee leprechaun, with all his work done.
He slipped off for a nap, and then there was none.

Internet Safety

The Internet has drastically changed the way that children interact with the world. They have access to in-depth knowledge, tools to express their creativity, and people from all over the world. Yet along with offering a fascinating, new way to connect with the world, the Internet also offers new risks -cyberbullying, exposure to inappropriate material, online predators, revealing too much personal information. Learning to recognize the warning signs of these risks will allow trusted adults to intervene and lessen potential negative impacts. By acting as a resource, parents and guardians can help make the Internet a safer place for their families.

Please be mindful when letting your child watch YouTube or any other outlet that children can view images that are not age appropriate. This outlet allows anyone to post anything and until it is flagged it is available to the children to view.

As a parent or guardian, you should stay well-informed about current issues to understand what your children are experiencing on and off the Internet. Children whose parents and guardians regularly talk to them about personal safety are more likely to exhibit responsible behavior on their own.
