Child's Birthday _____

Expected start date _____

Time your child will be attending (estimate) _____

Select the days your child will be attending this week

Monday

Tuesday

Wednesday

Thursday

Friday

Parents:

Nanny's Nursery is tentatively expecting to reopen on **June 15, 2020**.

All information cards must be reviewed and updated on the first day of attendance.

Health Precautions

We will be taking temporary precautions to safeguard your child. At drop off, only the child will be allowed in our center; the teacher will immediately take the temperature of the child. No child with a temperature will be admitted for care. Any child that becomes ill must be immediately picked up from the center. Children must be fever and symptom-free for no less than 24 hours without medication before they may return. Only essential items will be allowed in the center. For example, please do not send stuffed animals and toys. Our staff will be wearing masks. Parents may provide masks for their child; we will remove them at naptime. Children may not wear masks at the infant center.

Pick up and Drop off

For your convenience, parents may call the center before pick up and we will get your child ready and waiting for your arrival. We ask that parents wait if another parent is dropping off or picking up and follow social distancing guidelines and keep at least a 6-foot distance when necessary. The center will pack notifications for parents in backpacks and any notes home for parents.

Attendance

We will be requesting the upcoming week's attendance by Thursday the week prior so we may have adequate staff and food. Parents are required to contact the center if your child will not be attending for the day and they are signed up for care. We will have a limited group size and space. The teachers will be encouraging and monitoring proper handwashing, along with cleaning the center regularly.

Meals

The center will provide all meals and snacks. Unless your child has a dietary issue with what we are serving, we ask you not to bring in food. We will dispose of all food from home immediately after meals. Infants may bring required nourishment.

Payments

For the safety of our staff and children, parents will not be allowed in the building. The front office will be open from 12:00-1:30 for payments. Payment may be made over the phone or with a preauthorized credit slip. Soon we will be offering online payments. We will also take checks/cash by an envelope. All receipts will be placed in your child's backpack.

I have read and understood the regulations
