Nanny's Themes

September:

Self-concept, "ME" books, family and fall colors

October:

Five senses, Halloween

November:

Farm animals, harvest, Native Americans, Pilgrims

December:

Christmas, Hanukkah

January:

Winter, snow

February:

Shapes & Sizes, Valentine's Day, Presidents, Space

March:

Winds, Spring, Easter & Passover

April:

Community Workers, transportation, planting and growing things

May:

Zoo animals, Fairy Tales & Nursery Rhymes

June:

Summer safety, insects, and dinosaurs

July:

Patriotism, circus week, beach week, sea animals

August:

Western week, ethnic week, "crazy, lazy summer days"

Montessori Learning Objectives

Most of our learning objectives are personalized for each child to engage in a learning task which has a particular appeal for them, giving them the freedom for healthy development, encouraged by a well-planned environment.

Activities are designed to

- Develop a positive attitude toward school.
- Develop self-confidence as an independent learner.
- Assist each child in building their concentration.
- Foster in each child's curiosity.

The following subject will be presented to your child

Practical Life • Sensorial • Math • Language • Writing • Science
Geography • History • Social Studies • Spelling • Storytelling • Art
Music • Physical Education • Zoology • Botany • Outdoor Activities

Nanny's Nursery Virtual Learning Program

\$38 per day
\$170 per full week
5 day \$660 monthly

6:15 am-8:00 am	Open/Breakfast/Movie/self-directed play*
8:00 am-9:00 am	Self-directed activities/snack
9:00 am-10:00 pm	Online learning time (teacher is available if your child has questions or needs help)
10:00-11:00	Self-directed activities/ Reading/ Outside play or Large motor activities (weather permitting)
11:00am-12:00 pm	Online learning time (teacher is available if your child has questions or needs help)
12:00 pm-12:30 pm	Lunch*
12:30 pm-2:30 pm	Online learning time (teacher is available if your child has questions or needs help)
2:30 pm-2:45 pm	Afternoon brain brake/movie or reading
2:45 pm-3:15 pm	Afternoon Snack
3:15 pm-5:30 pm	Outside/ Afternoon free time
5:30 pm-6:00 pm	Movie/Parent pick-up

***Children may only eat during designated meal times.
Please do not store food/medicine in your child's backpack or cubbie.**

Nanny's History

Nanny's Nursery was named after my grandmother whom I call "Nanny". She is now a great-great grandmother to my twin grandsons. All the grandchildren and great-grandchildren love spending time with Nanny and that is why I chose her as our namesake. Nannies are also portrayed as very loving towards children with a magical quality as in Mary Poppins.

Nanny's first location opened in a church building on July 9, 1979. We were only licensed for thirty children at that time, but our waiting list soon grew. In December of 1980 my daughter Nicole was born. After becoming a mother myself, I understood how important and difficult it can be to find excellent childcare. In 1980, I did not have an infant program so I was faced with a childcare decision of my own.

Our program was in demand because of our high standards for quality childcare. Our enrollment continued to grow. We operated with a waiting list for many years. In the summer of 1985, we broke ground for a new facility with a license capacity of ninety children. On December 11, 1985 Nanny's on Pardee opened for business. My son Joseph was born on the same day as the opening!

As our center continued to grow, we had numerous requests for infant and toddler care. In the fall of 1990 I came upon an opportunity to lease a building with a setting perfect for infants and toddlers in the Downriver Community Conference Center in Southgate. In January of 1991 Nanny's II opened with a license capacity of sixty children and has grown to a capacity of 122 children. Now, we have relocated our infant & toddler. Nanny's Infant and Toddler Center is located at 21085 Goddard.

I am very proud of our staff at Nanny's, and I hope to give the children at our program the magical childhood they deserve by having loving people care for them.

Sheryl A. Westerdale

Executive Director and Founder

Nanny's Philosophy

Program Philosophy

Nanny's Nursery is a play based program. Our philosophy is based on the knowledge that children grow and develop when given opportunities to explore, create and problem solve with materials that are appropriate for his or her age and development. We will provide opportunities for social, emotional, intellectual and physical growth. The role of the teacher is to facilitate children's growth and development by providing a curriculum that builds and constructs new knowledge with a clear understanding of each child's current development.

Mission Statement

Nanny's Nursery School's mission is to provide a quality, comprehensive early childhood environment for nurturing and facilitating the growth and development of young children.

Welcome

We are honored and privileged to accept the trust your family has placed in us to guide and enrich your child's early childhood experiences. The purpose of this handbook is to communicate what you can expect from Nanny's Nursery. It also provides information regarding our expectations of your family. After reading this handbook, if you have any questions, please contact the Director.

Nutrition Plan

Our goal at Nanny's is to provide a nutritious meals and snacks for the children in our care. We accomplish this by following the guidelines set by the CACFP, this plan includes all five food groups and incorporates dairy, grain, meat, vegetables and fruit numerous times during the day. This is important to us and our families because it start a foundation for healthy eating habits. Nanny's provides breakfast, morning snack, lunch and afternoon snack for children in care during service. Breakfast at 7:00 am is served for early arrivals. A morning snack is served around 9:15am. Lunch is served at 11:00 am. An afternoon snack is served at 3:00 pm. We encourage the children to try different foods, but we never force the children to eat. Water from sippy cups is also available to the children all day long. All meals are prepared at our facility at 9529 Pardee Road and served to our children pre-plated. Parents are welcome to bring healthy snacks and lunches in for their child, with an ice pack if needed. If your child has a food allergy it must be stated from a physician or added on to the physical form.

Nanny's is a nut free facility. Please make sure that children do not bring in snacks lunches or candy with nuts in the ingredients.

Children are encouraged to practice healthy eating habits. During meal times children learn to feed themselves as well as socialize with their peers. Nutritional information is presented to the children with book, daily activities, and by example during meal times. All staff trained yearly to learn about obesity and healthy eating habits.

More information on nutrition can be found on our parent boards in the classroom.

Here are some examples of our meals:

Breakfast:

Hot or Cold cereal/ milk & fruit

Snacks:

Graham crackers, fruit muffins, English muffins, s'mores, granola bars, rice cakes, raisins, cheese & crackers, fruit and yogurt

Lunch:

Hot Dogs, beans, peaches, milk

Blueberry pancakes, sausage, applesauce, milk

Macaroni & Cheese, mixed vegetables, fruit cocktail, milk

Chicken Nuggets, French fries, corn, applesauce, milk

Fish sticks, tator tots, peas, biscuit, fruit cocktail, milk

All lunches brought from home MUST have a ice pack, if you would like it to remain chilled.

We do not have space in our refrigerator for kid's lunch bags.

Children may only eat during designated meal times.

We follow the CACFP guidelines for children's nutrition

Monthly menus are provided on the front table in the entry way, they are also posted on all parent boards in the classrooms. Menus in different languages will be provided if requested.

If your family is in need of food assistance Gleaners offers emergency food, call 211, statewide toll-free number: 1-844-875-9211 or **Fish & Loaves Food Pantry** at 734-442-0031

For more information on dietary needs please call Dr. DiarBakrli, MD, FAAP at (734)250-7887

Tuition

Enrollment

Enrollment at Nanny's Nursery School is open to children from 6 weeks of age to 13 years of age. Infant & Toddler care is available at 21085 Goddard. We have a brand new facility that was built specifically for infants & toddlers. At 9529 Pardee we have a traditional building with home like environment that was built specifically for children 33 months and older. Parents can apply for enrollment for their child by completing the Enrollment Agreement and paying the \$50 registration fee. Before your child begins our program the following is required; first week's tuition, completed and signed enrollment agreement, emergency information, immunization records and signed Parent Handbook receipt. A health appraisal with the health history information and physical must be signed by a physician.

The Enrollment Application and Fee Agreements are not meant to serve as contracts guaranteeing service for any duration. Nanny's Nursery reserves the right to dismiss any parent or child at any time for failure to adhere to policies set forth in the Parent Handbook. Continued enrollment at Nanny's is contingent upon the parent's and emergency contact persons' and child's adherence to the policies and procedures of Nanny's Nursery as outlined in this handbook including, but not limited to, timely payment of all fees and tuition.

Sign-In-Sheets

When your child arrives please sign your child in and walk him or her to his or her classroom. Let a teacher know that they have arrived. We constantly take a head count to match our sign-in sheets and attendance records for evacuation purposes. In case of a disaster or an emergency, it is mandatory that your child is signed in each day.

Adjustment Period

Your child's first few weeks at Nanny's can be a difficult time for both you and your child. We do our best to make you and your child feel comfortable. If your child cries when you are leaving, we recommend that you say goodbye to your child and then leave promptly. Never just sneak out. You are welcome to call us when you reach your destination to check on your child. Most children stop crying by the time their parents pull out of the driveway. The adjustment period usually lasts a few weeks.

Payment Schedule

Tuition is due on Friday by 6:00 pm before the week of care to be provided. When Nanny's is closed for Holidays, tuition is due by 6:00pm on the last day of business for that particular week. Nanny's Nursery accepts cash, check, credit/debit or money orders; you must wait for a receipt for cash payments.

Late tuition payments

A late fee of \$20 will be charged if tuition is not paid by Friday at 6:00pm. There will be a \$30 fee for all insufficient funds charges; all future payments will then need to be made by cash or money order. Once an account is more than one week in arrears, the child/children may not return until the account is paid up to date, including the current week as well as late fees. Non-payment of tuition is grounds for immediate dismissal from the program. Timely payments are essential for continued enrollment at Nanny's Nursery School; however, if you anticipate difficulty with paying on time, please discuss the matter with the Director immediately. If alternative arrangements for payment are approved you will be notified by the Director. A written contract with terms of this agreement will be signed by both the parent(s) and the Director.

Withdrawal

Nanny's Nursery requires that you give us two weeks written notice, prior to withdrawing your child from the program. We reserve the right to exclude any child from our program at any time for failure to adhere to policies set forth in the parent handbook.

Late Pick-up

Nanny's closes promptly at 6:00 pm. If you pick up your child after 6 pm, you will be charged a penalty of \$1.00 per minute that is paid directly to the care giver who is waiting with your child. Picking your child up late continuously could result in dismissal. We use our time clock for exact time. It is set by coordinated universal time

Absence Policy

Children that are enrolled in the full day program are allowed to miss double the time that they are registered for without being responsible for the tuition. Example: a child that attends a full week can miss ten days, a child who is enrolled in a two day a week program can miss four days, etc. This time can be used for illness or vacation. Extended illness with a doctor's note will be considered. We do not charge for days that we are closed. Our school year is from September 1st- June 15st; vacation/sick days renew every September. During the summer months, we allow flexible, as needed schedules and parent. Parents are required to pay for indicated days that they requested. All summer schedules are due no later than the Friday before the week of care.

Multiple Child Discount

Nanny's Nursery School offers a multiple child discount for families with more than one child enrolled full time. The youngest sibling pays the full tuition rate and each additional child's tuition is discounted 10% per child. Discounts are only applicable when tuition payments are made on time. The full tuition rate, plus any additional late fees will be charged when tuition payments are late.

Subsidized Care

Nanny's Nursery School does accept childcare subsidies from the Department of Human Services (DHS); however, parents are responsible for all payments until an authorization letter has been received. After the first billing cycle, the co-payment amount will be determined. All recipients of subsidy payments will be responsible for remaining tuition not covered by DHS. Parents are responsible for completing all required paperwork on time. Once an authorization expires, parents will be responsible for full payment of tuition under the guidelines of the enrollment agreement until a new authorization is received. Parents receiving a childcare subsidy are also required to sign a fee agreement, agreeing to be personally responsible for payment of tuition in the event they become ineligible to receive childcare subsidies.

All children that receive DHS assistance will have a co-pay.

Staff Selection

Nanny's staff members are carefully screened, selected, and trained in early childhood education. The head teacher in our preschool programs hold either an Associate's Degree or a Bachelor's Degree in Early Childhood Education or CDA. Our assistant teachers in our preschool program are either college students in Early Childhood Education or a related field. We also hire staff members who have had experience working with children, either their own or within the community. We are continually developing our staff through staff meetings, the attendance of seminars and workshops held by universities and professional organizations. Nanny's is a member of NAEYC (National Association of Education for the Young Child), NACCP (National Association of Childcare Professionals), and the National Organization of Childcare Centers. We also serve the community as a laboratory setting for college students in the area.

Parent & Staff Communication/Conference

Parents are always welcome to visit their child at Nanny's Nursery School. We also encourage consistent communication with the staff concerning your child. The staff is available for formal or informal conferences upon request. **Official parent/teacher conferences will be scheduled in twice each school year.** Parent boards are located in each classroom. Please check the parent board daily for pertinent information. Newsletters and menus are published monthly and are available at the sign in table. Nanny's News & Notes contains important information about upcoming events.

All of our lead teachers also use Facebook to interact with parents. Our center has a private group page. This enables our teachers to communicate with parents and for parents to communicate with them. Via this app the teachers will post photos of your child's day. Teachers are not allowed to message or give out their personal phone number. Any after hours questions or concerns can be addressed through Facebook Messenger (Response is not guaranteed.)

Nanny's also provides access to the Brightwheel app for communication with parents. After registering, an invitation will be sent via email to link your account to ours. Parents can use the app to sign their child in and out, message the center, pay your tuition, and check out the newsletter and menu.

Cultural Plan

Our goal at Nanny's is to help your child acclimate to our center. We provide a welcoming multicultural staff with many different backgrounds and beliefs, who also receive cultural competency training every year. When families enroll in our care we use resources such as NAEYC to help provide acceptable ethnic tools to ensure comfort and belonging of your child. Our cultural plan is important to our children and staff because it helps us understand everyone's importance of individuality and family traditions. We keep at least one teacher that speaks Spanish and we are happy to translate any document, into your native language. It is important for children to learn cultural diversity. Some ways we present culture in our curriculum is through music, instruments, dancing, food, children's dress up clothing, books, multicultural art supplies and displaying photography from around the world. Nanny's will provide an outlet for your family, if they would like to share their heritage with our students. To incorporate culture into our classrooms we encourage parents to bring in family pictures for our parent board and empty food containers and clothing to add to our dramatic play area.

Behavior Management

We handle discipline by removing the child from the situation. We implement this by encouraging the child to play in a different area, or with a different toy or to think about the undesirable behavior in the time out chair, for a timed period (minute x age). For example, three years old equals three minutes. We try to determine why the child behaved in such a manner. We explain to the child that we find fault in the behavior not the child. We use positive methods of guidance that will encourage self-control, self-direction, self-esteem and cooperation. We reserve the right to exclude a child with severe discipline problems for the safety and well being of the other children. A teacher may use “Non-severe and developmentally appropriate discipline or restraint may be used when reasonably necessary, based on a child’s development, to prevent a child from harming himself or herself or to prevent a child from harming other persons or property” per the state of Michigan’s childcare licensing rules: R 400.8140 Discipline Nanny’s does not use any form of corporal punishment.

Children with special needs

At Nanny’s it is important to us that every child feels welcome and has a sense of belonging. Nanny’s provides care for children with special needs and follows the guidelines of the American with Disabilities Act (ADA). To determine how we can best assist your child, we ask that parents to please inform our staff or set a meeting to make aware of any disabilities or needs your child has. Children with special needs will be given the opportunity to participate in the program to fullest extent possible. To accomplish this, our program may request or consult with agencies as needed, provided that the parent gives permission.

Nanny’s also supports any disability with handicap assessable parking ramps and restrooms. We will provide time and space for Early On, Titter Chatter, Totes or any other program or therapist to come on site for weekly/monthly visits at our center. These programs as well as membership to the NAEYC provides tools needed to foster care for children with special needs. This plan is important to parents and staff because it provides the proper care that is needed for the child’s future.

Nanny’s also provides morning and after school care for Blair Moody’s Special needs preschool as well as all of the elementary schools. To set up transportation please contact Taylor Transportation at (313)295-5724 after your child is registered for school.

The Guidance Center

The Guidance Center's mission is to enhance the development and well-being of children, adults, and families in need throughout the communities we serve. Our vision is that the people we serve will thrive at home, school, work and community life. The agency provides a broad range of highly effective services that help children, adults and families unlock potential and build better lives.

734-785-7700

If you feel your child may need to be assessed you can inquire at the office for more information about a proper Ages and Stages Questionnaire (ASQ) assessment for your child or visit www.asqonline.com/

Health Environment

It is important to us at Nanny's to provide a healthy environment for your child. Offering a safe and healthy environment fosters security for our families.

Physicals & Immunizations

Immunization records are required by the first day of attendance. Children who do not have an immunization record will not be allowed to attend until one has been provided.

Please make sure that your baby has received the necessary immunizations. It is important to us that your child receives immunization required by the state. Immunizations are one of the most effective measures to protect children from harmful diseases and even death. All children who attend preschool programs or licensed childcare centers in Michigan are required by state law to be fully immunized. Reporting of immunization data to the local health department is required under the Michigan Public Health Code, and requires all children in a program to have an up-to-date immunization history or a valid waiver at their childcare center or preschool. **A child who fails to meet immunization requirements shall not be admitted into the program. It is the responsibility of the parent/guardian for ensuring that their child has received all required vaccine doses.** Also, be sure to turn in all updated medical information as needed from your child's well visits (such as shot records, new allergies or medical conditions, updated physicals, (monthly children etc.). The state requires that all children have an **yearly updated physical and immunization record**. Using the Michigan's MCIR system, our staff will print out provisional reports to inform you of your child's required health documents . Your infant or toddler will be excluded from our program if his or her immunizations are not complete, unless a waiver form from the health department is attained. **A physical is required at every well visit for infants and toddlers and yearly for preschoolers.** Birth (1-3 days after discharge from the hospital), 2 weeks, 2 months, 4 months, 6 months, 9 months, 12 months, 14 months, 18 months, 24 months, 30 months, 3 years, yearly from 4-21 years.

For information you may refer to our parent board in the classrooms, the MCIR website www.mcir.org or you may contact your local health department at (734)727-7125

PARENTS VACCINES REQUIRED FOR CHILD CARE AND PRESCHOOL IN MICHIGAN

Whenever infants and children are brought into group settings, there is a chance for diseases to spread. Children must follow state vaccine laws in order to attend child care and preschool. These laws are the minimum standard for preventing disease outbreaks in group settings. The best way to protect your child from other serious diseases is to follow the recommended vaccination schedule at www.cdc.gov/vaccines. Talk to your health care provider to make sure your child is fully protected.

	2-3 months	4-5 months	6-15 months	16-18 months	19 months–4 years	5 years
Diphtheria, Tetanus, Pertussis (DTaP)	1 dose DTaP	2 doses DTaP	3 doses DTaP		4 doses DTaP	
Pneumococcal Conjugate (PCV13)	1 dose	2 doses	3 doses or Age-appropriate complete series	4 doses or Age-appropriate complete series		None
<i>H. influenzae</i> type b (Hib)	1 dose	2 doses		1 dose at or after 15 months or Age-appropriate complete series		None
Polio	1 dose	2 doses			3 doses	
Measles, Mumps, Rubella (MMR)*	None			1 dose at or after 12 months		
Hepatitis B*	1 dose	2 doses			3 doses	
Varicella (Chickenpox)*	None			1 dose at or after 12 months or Current lab immunity or History of varicella disease		

These rules apply to children who are the above ages upon entry into child care or preschool. During disease outbreaks, incompletely vaccinated children may be excluded from child care and preschool. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at www.michigan.gov/immunize.

*If the child has not received these vaccines, documented immunity is required. All doses of vaccines must be valid (correct spacing and ages) for child care and preschool entry purposes.

Updated March 1, 2017

Injuries

When a child has a minor injury at Nanny’s it will be taken care of by a staff member. An accident report will be given to the parent. If the seriousness of the injury is questionable, we will call a parent immediately. All staff members are trained in CPR and First Aid.

Screenings

Nanny’s also offers dental screening with Dentist R Us, twice yearly. The dentist will do a cleaning and take X-rays of your children teeth and gum. Please refer to the parent board for more information on when the dentist will be at our center. (888)226-7129.

Nanny's Nursery & Day Care Inc.

Nanny's Infant & Toddler Center Inc.

Covid-19 Plan

- Children will have their temperature taken at the front door. We will ask if anyone is ill in the home or if they have been exposed to Covid. We will ask if the child has been feeling ill in the last few days. The staff will visually check the child for signs of illness. Their temperature will be recorded on the sign in sheet and if they do not have a fever or signs of illness they may enter.
 - Staff will fill out a questionnaire and have their temperature taken and recorded.
 - The staff and children must wash their hands when they enter the building. The staff must supervise children washing their hands with soap and water for at least 20 seconds.
 - Staff will continue to monitor children throughout the day for fever, cough, flushed cheeks, rash, runny nose, diarrhea, vomiting, and irritability
 - Staff will be required to wear masks indoors and outdoors.
 - Staff must stay six feet away from other staff and visitors.
 - An ill child over 3 will be asked to put on a mask and will sit with the director or office person at least six feet away. Everything the child touched will be sanitized.
 - If a staff member becomes ill at Nanny's they will be sent home immediately. The director or office person will step into that classroom to maintain child/staff ratios.
 - We will use our entry way outside the office as an area to isolate sick children.
 - Lysol will be sprayed in classrooms when they are empty.
 - Soft toys have been put away during this time.
 - Toys and tables will be cleaned with bleach/water solution or sprayed with 70% alcohol.
 - A toy that has been mouthed will be sanitized by soaking in bleach water solution.
 - Children will stay in their classrooms with the staff encouraging social distancing. Children will not be in groups with more than ten children. We will arrange tables and chairs so that children will be encouraged to be six feet apart. We have hula hoops to define floor space and the staff will set up activities in the hula hoops. Hula hoops will also be used for stories and fingerplays.
 - Children will be with the same group of children and staff throughout the day.
- Group sizes will always be less than ten children.

- The playground will also be for small groups at a time and social distancing will be encouraged.
- Children will be supervised washing their hands when they come indoors.
- Children will be supervised washing their hands before snacks and meals. Staff will be serving children their meals and snacks.
- We will use touchless trash cans.
- Our air conditioning units are checked and filters cleaned often.
- Our drinking fountains are closed at this time to prevent spreading germs.
- The only common area the children will be using is the playground which will be sanitized after each group. Children will go indoors and use only the restrooms they normally use. All other common areas will be eliminated.
- If a staff member or child reports a positive case of Covid we will report this to the Wayne County Health Department.
- A child or staff member must be excluded from our program if he or she has a fever. It is recommended that children be fever free for 72 hours before returning to care.
- A staff member or child that exhibits multiple symptoms of COVID19 or has been exposed must stay home at least 10 days since the first symptom appeared. They must also be fever free for at least 72 hours.
- We have a private Facebook page for each center to communicate with families. We also will be starting an email chain.
- To limit exposure parents picking up children will not be allowed in the building at this time. Children will be brought out to the parents by a staff member.
- We will not be transporting any children at this time.
- We are limiting the items from home brought into our facility because this can easily be a way to transmit the virus. You may not leave car seats. Blankets and pillows for nap must fit into a backpack.
- Gloves will be worn when handling contaminants like changing diapers, bodily fluids, serving food, and cleaning. Staff members should wash their hands before putting gloves on and immediately after gloves are removed. Staff are not required to wear gloves for broader use.
- If parents have any questions or concerns they may contact

Sheryl Westerdale-Owner/ Executive Director

Cheryl Neblett Nanny's Nursery & Day Care Inc.

Kathy Gardiner at Nanny's Infant/Toddler Center

Exclusion Policy

You must keep your baby home when he or she is ill. If we call you because your baby is ill, you are expected to make arrangements to pick up your child. We cannot expose the other babies to your baby's illness. ***Failure to pick up your baby when he or she is ill could result in permanent dismissal from our program.*** We need to protect all of the children, so we urge you to keep your baby home when they have a fever, a suspicious rash, frequent diarrhea, or have vomited within the last twenty-four hours. To prevent the spread of disease babies and nannies wash their hands frequently. Older babies are taught to cover their mouths when sneezing and coughing. They are also taught to use Kleenex.

We clean and sanitize the toys, equipment and all surfaces to eliminate the spread of disease.

Nanny's Nursery is not equipped to administer to sick children at our center. The following procedures will be used to determine whether a child is infectious or too sick to participate in regular day care activities. A child that is removed from the normal day care, public school or private school activities will be readmitted to the day care center no sooner than 24 hours after symptoms have disappeared or if a doctor has examined the child and has determined that symptoms are not infectious.

Please remember that a child is most highly infectious early in the course of infection, i.e.: just prior to or around the time when the symptoms first become apparent. Therefore, it is important that you check a child thoroughly prior to bringing him/her to the center because if his/her symptoms are detected at the center, he/she will expose classmates.

1. The clinical symptoms which indicate that a child is either too sick to participate in normal daily activities and / or may be a source of communicability to the health of other children which may include any of the following:
 - a. Fever – any temperature over 100 degrees (or if the child feels badly or acts listless or out of sorts)
 - b. Rash – until the cause has been determined
 - c. Red or watery eyes, discharge from the eyes / conjunctivitis
 - d. Any draining sore
 - e. Vomiting 2 or more times in an hour
 - f. Diarrhea
 - g. Any and all communicable diseases
 - h. Ringworm
 - i. Scabies and lice
2. If the Director determines that the child is too sick for normal day care activities or that the child may be a suspected source of communicability, the child will be placed in an isolation area and the parents will be called to pick up the child.

Custody and Court Orders

In cases where an enrolled child is the subject of a court order (ex. Custody Order, Restraining Order, or Protection from Abuse Order) Nanny's must be provided with a Certified copy of the most recent order and all amendments thereto. In the absence of a court order, both parents shall be afforded equal access to their child as stipulated by law. Nanny's, without a court order, limit the access of one parent by the request of the other parent, regardless of the reason.

Suspected Child Abuse and Neglect

Under the Child Protective Services Act, mandated reporters are required to report any suspicion of abuse or neglect to the appropriate authorities. The employees of Nanny's Nursery School are considered mandated reporters, under this law. Our employees are not required to discuss their suspicions with parents before reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition before making a report.

Causes for reporting suspected child abuse or neglect include, but are not limited to:

- Unusual bruising, marks, or cuts on the child's body
- Severe verbal reprimands
- Improper clothing relating to size, cleanliness, season
- Transporting a child without appropriate child restraints
- Dropping off or picking up a child while under the influence of illegal drugs or alcohol
- Not providing appropriate nutrition for your child

Nanny's will cooperate with CPS during an investigation. This may include let them speak with your child while they are in our care at our center.

Parent Code of Conduct

Nanny's Nursery requires the parents of enrolled children to always behave in a manner consistent with decency, courtesy, and respect. No parent or adult is permitted to curse or use other inappropriate language on Nanny's Nursery property at any time, whether in the presence of a child or not. Threats of any kind will not be tolerated. All threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. Parents must be responsible for and in control of their behavior at all times.

We will not tolerate physical/verbal punishment of your child or any other child at Nanny's. Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent or other adult may physically punish another parent's child. If a parent is concerned about the behavior of another child, that parent is advised to direct their concerns to the teacher or the Director. Furthermore, it is wholly inappropriate for one parent to seek out another parent to discuss their child's inappropriate behavior.

While it is understood that parents will not always agree with the employees of Nanny's or the parents of the other children, it is expected that all disagreements be handled in a calm, professional and respectful manner.

Parent Handbook Confirmation of receipt

I/We, the parent(s)/legal guardian(s) of _____ acknowledge that I/we have received a copy of nanny's Nursery School's Parent Handbook and have been given the opportunity to read the manual and ask questions about and understand the policies contained therein. Furthermore, I/we agree to abide by the policies set forth in the manual.

We understand that the policies described in the Parent Handbook are not conditions of enrollment, and the language does not create a contract between Nanny's Nursery School and the parents. Nanny's Nursery school reserves the right to alter, amend or otherwise modify these guidelines, in its sole discretion without prior notice.

Nanny's tuition must be paid in advance. Tuition is due on Friday by 6:00pm before the week of care to be provided. When Nanny's is closed for Holidays, tuition is due by 6:00pm on the last day of business for that particular week. Non-payment of tuition could be grounds for dismissal. If you anticipate difficulty paying on time, please discuss the matter with the Director immediately to discuss the possibility of other arrangements.

I agree to abide by Nanny's tuition payment policy
